- II. **Welcome:** Hazmat TAC Co-Chair Mark Vedder welcomed all the attendees and thanked them for their participation.
- III. **Minutes:** Motion to approve minutes of the March 2011 Conference Call by Jeff Corder, Second by Brian Robertson. Unanimously approved.
- IV. **Old Business**
 - Regional coordinators discussed 2009 grant award status for regions 1,7, &8.
 - Site Visits:
 - Richland/Ashland County – Caggiano to contact and reschedule
 - Stark County – Scheduled for June 9, 2011 at 1000 hrs
 - Allen County – Wants to upgrade to Type 1 – Vedder to check date of Type 2 verification and see if site visit is needed.
 - There was a report from Terry Bindernagel and discussion about expanding the scope of the CBRNE Working Group.
 - Vedder discussed reviewing Required Equipment List (REL) from other states to see how it compares to Ohio REL for Team Typing. A sub-committee was suggested to review new technologies and equipment lists for team verification and typing. Discussion included the need to determine if our lists need revision, and the effect of potential revisions, including typing of teams currently in process. Jeff Corder, Terry Bindernagel, Brian Robertson and Brooke Matzen volunteered for the committee. Suggestion was made to table formation of committee to allow others not in attendance to review materials. Tabled until May meeting.
 - OEPA announced DEA/BCI grant funding for clean-up of meth labs has been cut. They are scrambling to find funds to continue work.
 - ODH provided an update about radiological training being provided for hospitals along the I-70 route corridor due to shipments.
- V. **New Business:**
 - Vedder announced he will attend the LEPC Conference on August 10 to report on the Hazmat TAC
 - Harry Burdick complimented Bill Brobst for his great presentation on the Hazmat TAC to the Marion County Fire Chiefs.
- VI. **Action Items:** Required Equipment List Review – Formation of Sub Committee

VII. **Next Meeting:** Due to a major exercise at Ohio EMA and the short agenda for the May 2011 meeting, the meeting will be held by Conference Call on May 17, 2011 at 1000 hrs. See attached details on the conference call.

Respectfully,
Mark Vedder, Chairman
