TAC: HM TAC
From: Harry Burdick

File Number:
Approved:

I. **Attendees:** See attached list.

II. **Summary:**

- a. Covered Site visits (Toledo, Van Wert, Ironton, & Zanesville) none scheduled.
- b. OEMA Training & Grants outlined HMEP money and how it can be used by locals for HM Training, and the information needed to set-up a class.
- c. OEMA would like HM TAC to get list of specific classes to be funded by HMEP.
- d. CBRNE: Notes from meeting have not been distributed. OHS working on Strategic Plan revisions.
- e. ODPS Certification of HM/WMD Tech: M. House pushing through DPS.
- f. ODH: Continue to work on Data Base. Region 1 & 2 dispatch done, Ten teams collected so fare.

III. **Action Items:** None noted.

Partner Agency:

FBI – Looking for Tech Certification protocol/verification system. Will assist for pre-qualification for Fed. Classes. Reviewed Zanesville “white powder” incident.

OEPA – Reviewed Fracking illegal dumping incident in Mahoning River tributary.

OFA – Tech class in April may be canceled.

CST – IED Awareness course in April. Call if anyone wants in.

ODH – Working on data base.

OEMA – Still working on rectifying Team typing issues/letters. Jim Dwertman is still main contact.

IV. **Next Meeting:** April 16, 2013, @ 10:00 AM, Conference Call.

Respectfully,
Harry Burdick
